WHAT IS THE GRIDIRON GROUP

- **The Gridiron Group** is a 501(c)3 not-for-profit group that supports the Antioch Sequoit Football Team
- **The Gridiron**, formerly known as the “Football Moms”, started in 1977. This is our 47th year supporting the team
- **Our goal** is to support the players and the coaches to ensure football is one of the best experiences players will have during their high school years
- Sequoit Football is the largest club, sport or group in the school, and the Gridiron Group is the **ONLY** 501(c)3 group supporting a club or sport at ACHS.
- We are the only team in the Northern Lake County Conference (NLCC) that has a program like the Gridiron. Many teams have tried but have been unsuccessful.
- We do our best to raise funds in the community to support the football program. We encourage each player to raise funds for the team as well.
