

Dear Valued Community Member,

The Antioch Community High School football team's boosters, The Sequoit Gridiron Group, Inc., is a 501(c)3 nonprofit organization that supports the football program. We have been a part of our amazing football program since 1977, when we were known as the Football Moms.

One of our priorities each year is to raise money to provide:

- Meals and snacks for summer camp, 7 on 7 games, regular season, and post-season games for all the players, coaches, managers, and other support staff
- Provide scholarships for students whose families would not normally be able to afford to participate in sports programs
- Purchase and supplement uniforms and gear
- Purchase equipment, including weight deck equipment that is used by ALL students, not just the football team
- Provide specialty items throughout the season like Cross Town Classic and Homecoming shirts, game socks, nameplates for the game jersey

We are currently preparing for the 2026 football season which includes a Northern Lake County Conference 7 on 7 challenge, a fall scrimmage night and five home games! We hope you will consider sponsoring this outstanding football program and our fantastic kids!

Thank you in advance and welcome to the Sequoit Family!
